

Mission:

The Autism Society of Southeastern Wisconsin's mission is to create connections, empowering everyone in the Autism community with the resources needed to live fully. We serve as the primary Autism Spectrum Disorder resource for Milwaukee, Racine, Kenosha, Waukesha, Dodge, Jefferson, Ozaukee, Walworth and Washington counties.

About The Autism Society:

Our mission is accomplished through supports for people with Autism Spectrum Disorder, their families, professionals and others by sharing information, supporting research, providing networking opportunities and promoting awareness through education and training. We strive to increase public awareness about the day-to-day issues faced by people on the spectrum, advocating for appropriate services for individuals (both as children and adults). The need for effective and reliable support services and programs for those that are affected by Autism is growing every year.

Program/Service Highlights:

Information and Referral Helpline and Resource Directory

provides information to parents, professionals and the public about autism spectrum disorders.

Workshops, Presentations and Parent-to-Parent Forums

on current topics relevant to the needs of families and our community.

Monthly Support Groups

to connect others and share information and experiences for caregivers and individuals that are on the Autism Spectrum.

New to Autism

programs help families when their loved one has been diagnosed to provide them direction for services, support, and next steps.

Social Gatherings

at places like Green Meadows Petting Farm, Eble Ice Arena, First Stage get the community and families ready for social interactions and provide a judgement free zone.

iCan Bike Camp is a fantastic program to help children with disabilities learn to ride a two-wheeled bike independently by the end of the week-long camp.

TEEN GROUP

Teen Group help teens build confidence, make friends, try new things and learn social skills.

Southeastern Wisconsin Autism Navigators

Our **SWAN Group** is ideal for those looking to meet people, practice social skills, and make connections with others in the adult autism community.

TRAILS (Transition for Raising Autism Independence and Living Skills) is a yearly series of workshops assisting parents of teens plan for adulthood.

What Do Your Contributions Do?

With the incidence of Autism Spectrum Disorder rising (1 in 36 per Centers for Disease Control and Prevention, 2023), more programs are needed to meet the needs of this growing population and their families in our nine-county service area. Please support our mission to improve the lives of all affected by Autism. No gift is too small, and all gifts are appreciated! See your donations in action.

SUPERSTARS

creative arts camp

SuperStars Saturdays

SuperStars Saturdays is an amazing program for children on the Autism Spectrum and other special needs, their friends and siblings, ages eight and up.

Children sing, dance, act, paint, write plays and so much more. Camp staff includes teachers that are certified in Autism, art, and education.

Blue Lotus Family Day

Families plan to join us on a 64-acre serene property that will keep even the busiest of families occupied with summer fun activities! Enjoy hiking, biking, fishing, boating, outdoor games, swimming in a heated outdoor pool and more.
